

1. Navigate between fields using your mouse and left click button. Do not try to move from field to field with your up/down/left/right arrows, space bar or Enter key. That will not work very well.
2. Do not fill out in bold. Keep an eye on the Bold button in case it turns on.
3. Fill out the officer info. in the order listed. Separate the data with commas and semicolons. Example: T Gene Maggard; 8318 SE HWY 77, Leon, Ks 67074; etc. If your info. for an office runs over to the next line, don't worry about that.
4. P=president; VP =Vice President; T=Treasurer; FldTr=FieldTrip Chair;FdRp=RMF rep.; Ed=Editor; Show=Show Chair; Bltn=Bulletin Chair
