

Rocky Mountain Federation News

Volume 38
Issue 4
April 2008

The official publication of the Rocky Mountain Federation of Mineralogical Societies, Inc. The RMFMS is a regional member of the American Federation of Mineralogical Societies, Inc. The Rocky Mountain Federation News is issued ten times a year (except June or July). It is a privilege of membership of the RMFMS and cannot be exchanged by the Editor for individual club newsletters from other regional Federations

There is no newsletter this month due to a family medical crisis. I will do my absolute best to publish the May issue, which will be my last issue as the Rocky Mountain Federation Editor. In that issue I will also announce the name and contact information of the new Editor who will start with the August 2008 issue. Thank you!

Sandy Riekeman

RMFMS Editor
