Yes, it is that time, again. For the annual report, dues and optional club liability insurance. The Report, Dues and Insurance form is attached.

Please, fill out ALL of the club general information. We continue to have some clubs that think that we are able to somehow know all about their club without their filling anything out other than the dues information.

If you are getting this message but are no longer the correct club contact, please, forward it on to the correct contact or let me know.

If you need an earlier version of Word than Word 2010, let me know and I will send you one.

The due date for the report is 12-15-17. If your organization elects officers in Jan., let me know when you can have your report to us in Jan. with the updated and correct officers' information. We can stand some late reports but we need to get most reports in by mid Dec.

Please let me know if you have any questions.
